Sims, Oshkosh Corporation Executive Vice President and Chief Human Resources Officer. “At Oshkosh, supporting our team members is at the forefront of everything we do, and we look forward to continuing to grow and serve our military family.”

Since 2003, the Military Friendly ® Employers list has come to set the standard for organizations to provide the best opportunities for veterans and their spouses. This prestigious list provides a comprehensive guide for veterans and their families using data sources through continuously improved methodology, criteria, and weightings developed with help of an independent research firm, and proprietary survey information from participating organizations. Organizations earning the Military Friendly ® Employer designation were evaluated using both public and government data sources with responses from a comprehensive survey completed by the employer.

The methodology, criteria, and weightings were determined by VIQTORY with input from the Military Friendly Advisory Council of independent leaders in the higher education and military recruitment community. Final ratings were determined by combining an organization’s survey score with an assessment of the organization’s ability to meet thresholds for Applicant, New Hire Retention, Employee Turnover, and Promotion & Advancement of veterans and military employees.

In addition to being named a Military Friendly® Employer, Oshkosh Corporation is a partner in the United States Chamber Foundation “Hiring Our Heroes” initiative and Veterans Job Mission.

The 2020 Military Friendly ® Employers list will be published in the December issue of G.I. Jobs magazine which is distributed to TAPS centers globally to reach our veteran community. The list can also be found at www.militaryfriendly.com.
