

Oshkosh Corporation honored with FutureEdge 50 Award from IDG

Apr 13, 2021 1:19 PM

OSHKOSH, Wis.--(BUSINESS WIRE)-- Oshkosh Corporation (NYSE: OSK), a leading innovator of mission-critical vehicles and essential equipment, today announced that it has been named a recipient of the IDG FutureEdge 50 Award. This is the first time that Oshkosh Corporation has received this global award for its innovative use of emerging technology.

Oshkosh Corporation is among 50 organizations honored globally with this prestigious award. Organizations are recognized for pushing the edge with new technologies that will help advance business for the future. This may also include pilot or R & D projects – recognizing organizations for focusing on emerging technologies to advance industry. Oshkosh Corporation will accept this award at the Future of Work Summit held virtually September 21 – 23, 2021.

“This prestigious award showcases the collective drive of Oshkosh Corporation’s global Digital Technology team in continually pushing the boundaries of technology to support business strategies and growth,” said Anupam Khare, Oshkosh Corporation Senior Vice President and Chief Information Officer. “We are honored to receive this award as it recognizes the hard work and innovative spirit of our global team members to defy industry norms.”

“This year’s class of FutureEdge winners demonstrated enormous innovation, creativity and resilience as they grappled to advance their businesses during a challenging 2020,” said Anne McCrory, Group VP, Customer Experience & Operations, IDG Communications, Inc. and the FutureEdge 50 Awards chair. “We are honored to showcase their initiatives and recognize the teams that made them happen as they create a future edge for their organizations through technology.”

In addition to being named a Future Edge 50 Award winner, Oshkosh Corporation has been named an IDG CIO 100 Award winner, one of the 100 Most Sustainable Companies by *Barron’s*, one of the World’s Most Ethical Companies by Ethisphere, one of FORTUNE’s World’s Most Admired Companies, one of America’s Most Responsible Companies by *Newsweek* and is listed on the Dow Jones Sustainability World Index.

Forward Looking Statements

This news release contains statements that the Company believes to be “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical fact, including, without limitation, statements regarding the Company’s future financial position, business strategy, targets, projected sales, costs, earnings, capital expenditures, debt levels and cash flows, and plans and objectives of management for future operations, are forward-looking statements. When used in this news release, words such as “may,” “will,” “expect,” “intend,” “estimate,” “anticipate,” “believe,” “should,” “project” or “plan” or the negative thereof or variations thereon or similar terminology are generally intended to identify forward-looking statements. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties, assumptions and other factors, some of which are beyond the Company’s control, which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. These factors include the overall impact of the COVID-19 pandemic on the Company’s business, results of operations and financial condition; the duration and severity of the COVID-19 pandemic; actions that may be taken by governmental authorities and others to address or otherwise mitigate the impact of the COVID-19 pandemic; the negative impacts of the COVID-19 pandemic on global economies and the Company’s customers, suppliers and employees; and the cyclical nature of the Company’s Access Equipment, Commercial and Fire & Emergency markets, which are particularly impacted by the strength of U.S. and European economies and construction seasons.
